APPRECIATION

On behalf of Helderberg College of Higher Education, we would like to express our heartfelt appreciation and gratitude to everyone that dedicated his/her time and contributed to keeping the College safe from the devastating fire, those who made donations to support the firefighting operation, and those that joined us in prayers for protection.

Along with the College team, we extend gratefulness to the Helderberg Trail Running Crew for assisting with the organization, and everyone on the list below who spent many hours holding the fire line. We would also like to thank those who may have inadvertently been left out due to not having their names.
